1 NASTY GAL CEO LEGT IHR AMT NIEDER

Die Gründerin und CEO des Kult Internetshops Nasty Gal hat beschlossen, ihr Amt niederzulegen. Den Vorsitz wird sie an die aktuelle Präsidentin, Sheree Waterson, weitergeben, aber als Mentorin weiterhin einige Teile des Geschäfts beaufsichtigen. Wir wünschen den beiden Frauen alles Gute. Hier bei En Vie erwischt man uns oft dabei, wie wir durch die Website von Nasty Gal stöbern.

2 MAISON MARTIN MARGIELA IST NICHT LÄNGER EIN MARTIN

Das Label Maison Martin Margiela wird künftig, nachdem der erste Name des Gründers gestrichen wurde, unter dem Namen Maison Margiela auftreten. Ein Sprecher erzählte der New York Times, dass diese Veränderung „die Evolution des Hauses widerspiegelt“.

3 SAVAGE BEAUTY EIN GROSSER ERFOLG

The Die Alexander McQueen: Savage Beauty Ausstellung war ein solch großer Erfolg, dass das V&A Museum in London beschloss, die Ausstellungszeit um zwei Wochen zu verlängern. Das bedeutet, dass die Ausstellung bis zum zweiten August dieses Jahres geöffnet bleiben wird. Aufgrund der hohen Nachfragen nach Savage Beauty hat das Museum 50.000 zusätzliche Tickets freigegeben und ausgesagt, dass es plant, früh zu öffnen und spät zu schließen, um auf die zusätzlichen Besucher vorbereitet zu sein.

Alexander McQueen: Savage Beauty hat vom 14. März 2015 bis zum 2. August 2015 im V&A Museum in London geöffnet.

4 MICK JAGGER SPENDIERT L'WREN SCOTT STIPENDIUM

Mick Jagger, der langjährige Lebensgefährte von L'Wren, hat der Central Saint Martins Modeschule ein dreijähriges Stipendienprogramm in Erinnerung an die Designerin gespendet. Dieses jährlich vergebene Stipendium wird einen Preis für einen MA Studenten beinhalten, der die Gebühren und einige der Lebenshaltungskosten decken wird. L'Wren war eine in Amerika geborene Designerin, die sich tragischerweise im März 2014 das Leben nahm.

Trends im Februar

Der Januar ist vorbei, und genau so der Schlussverkauf. Das bedeutet es ist Zeit Ihre Garderobe mit neuen Stücken zu verjüngen. Hier ist Ihre Orientierungshilfe über was man derzeit am besten kauft und trägt!

1. Grobe Acryl-Accessories

Ja! Ich freue mich diesen Trend wiederzusehen. Ein Bisschen 80er und ein Bisschen 90er, aber es wird diesen Winter wie neu aussehen. Wenn Sie es ein wenig raffinierter wollen, dann am besten in minimalistischem Schwarz, Weiß, oder und Grundfarben sind die Lösung. Tragen Sie eine Kette um den Hals, aber mit vielen Reifen!

2. KALE SWEATER

Dieser nicht ganz ernst gemeinte Sweater ist ein Favorit unter den Topstars, auch Beyoncé wurde schon mit einem gesehen. Ganz egal ob Sie Ihre Liebe zu der Speise erklären wollen, oder ein Bisschen Beyoncé herabhängen lassen wollen, holen Sie sich einen dieser Sweater von suburbanriot.com.

3. Chevron Knit

Kale ist nicht Ihr Ding? Der andere große Strickwaren-Trend, mit einer dreisten Verweis auf Cricket-Pullis. Auch ein Favorit bei den Topstars, so kauften Leute wie Olivia Wilde and Alessandra Ambrosio schon einen bei Rag & Bone. Wenn Sie nicht so viel Kohle rauswerfen wollen, so können sie bei Boohoo.com eine tolle Version für £20 erhalten.

4. CHAINED LOAFERS

Need a new work flat that's not boring, and could even work from the office to the bar? Well look no further than these chained loafers. They're comfortable, chic and sophisticated. Go for classic black, or, for more colour, try a gorgeous burgundy or teal. ASOS have a great collection at the moment but they can be found everywhere as they are the flat of the moment!

5. Geometrische Print Hosen

Haben Sie genug von normalen schwarzen Hosen? Diese tollen Stücke lassen sie am Arbeitsplatz schnittig und professionell aussehen und passen auch nahtlos in Ihre Wochenendgarderobe. Zusammen mit einem passenden weißen Hemd oder Blazer im Büro wechseln Sie dann zu einem weiten T-Shirt, Absätze und Lederjacke fürs Wochenende.

6. PEEK-A-BOO PENCIL ROCK

Pencil Skirts sind eigentlich ein Muss in jeder Mädchengarderobe, aber warum nicht auch eines mit einem dreisten Riss an der Vorderseite? Entdeckt auf dem Laufsteg von Altazurra's SS15 und jetzt überall auf dem Markt ist er der perfekte Rock für den Februar. Probieren Sie ihn in hellen Farben wie Tomatenrot oder Minzgrün, zusammen mit einem Pulli oder Pumps mit Absätzen für einen schnittigen aber lockeren Wochenend-Look.

We all experience work wear issues, quite often on a daily basis, as we struggle to decide what to wear to the office. Your office essentials need not be restricted to tailored trousers, collared shirts, and flat shoes.

Use this season's key trends into your work wear wardrobe by simply making small adjustments to your weekend wardrobe. This can work wonders for your day to day office uniform while still allowing you to keep your signature style.

Many feel that a day at the office means you need to be decked out in black, browns, and greys but instead think of pretty pops of colour. Chic tailoring and bright shades can give classic styles a modern twist.

“... it also makes a statement that combines sophistication and femininity.”

We take a look at our work wear inspiration from the label Sydonie that offers 'French Chic' to their collection. They believe that French chic is not just a trend; it also makes a statement that combines sophistication and femininity. The brand is influenced by everything that France has to offer, from its picturesque sights to its bustling sounds, and this is evident across its "Business-Casual" wardrobe.

Sydonie covers everything from chic and professional work wear to sexy and casual out-of-hours attire. This makes the label perfect for capsule wardrobes as you can mix and match pieces to suit your needs. Sydonie inspires women to feel confident when wearing their stylish yet practical designs. Their beautiful outfits cater to women of all shapes and sizes, which is really what makes this label great.

The well-structured designs inspire women to feel comfortable in their own skin through versatile outfits that help them to look and feel their best; perfect for any urban fashionista.

” I don’t paint to live,
I live to paint. “

Chriscilia Epreiel Tehupeiori graduated from the prestigious Willem de Kooning Academy in 2013. Based in the Netherlands she specializes in fashion work. An artistic mind from the start, her love affair with photography began while she was pursuing realism through sketching. That, in turn, led her down the road to photography. Not long after she started her own business, ‘Chriscilia Epreiel Photography’, she quickly gained a vast fashion portfolio highlighting her skills.

Like many artists she creates to escape, but she doesn't long to escape alone. Her dream is to take the viewer on a journey to different world; a place where she determines the mood and surroundings while aiming for a picturesque scene frozen in time. Photography is about capturing a moment in humanity that reflects our deepest desires and

thoughts. Inspiration in creating this lies all around us, and Chriscilia takes full advantage of it. All it takes for her to begin imagining is a small detail, which then morphs and transforms into a full-blown concept whether it be the architecture of a building or the cobblestone pavement.

While re-creating her vision, she utilizes the textures of the world around to enhance her portrait. For example, she takes beautifully crafted piece of furniture and places it in a wooded forest. Her unique way of capturing life will interest many in the fashion and beauty industries. The great artist Willem de Kooning once said, “I don’t paint to live, I live to paint.” Chriscilia Epreiel Tehupeiori is a rare talent whose portraits will liven up and create intrigue anywhere they are shown.

Karine Landry, 20, ist ein neues Gesicht und wurde in Montreal geboren und ist dort aufgewachsen. Im Februar 2014 betrat sie das Büro von Specs Model Management. Schon immer hatte sie Interesse an der Modeindustrie, entdeckte aber dann eine Leidenschaft für etwas, das schon immer ihre Neugierde weckte: das Modeln.

Ihr größer Traum ist es, die Welt zu bereisen. Sie ist der Überzeugung, dass es so viel zu lernen und zu sehen gibt, dass es eine Verschwendung wäre, dies nicht

zu erforschen. So ist das Modeln die perfekte Möglichkeit für sie zu reisen, während sie arbeitet, und sie ist sehr gespannt darauf, wo es sie überall hinführen wird.

Karines eigener Stil ist sehr simpel. Ihr Go-To Outfit besteht aus Skinny-Jeans, die sie mit einer Lederjacke und schwarzen Booties kombiniert. Ihre platinblonden Locken geben dem Ganzen den perfekten Schliff. Das 1,79m große Model ist der festen Überzeugung,

dass gesunde Ernährung und regelmäßiger Sport der Schlüssel zu ihrem persönlichen Wohlbefinden sind und ihr dabei helfen, sich ausgeglichen zu fühlen. Sie liebt es, draußen zu sein - ihre liebste Tätigkeit ist es, den Mount Royal zu erklimmen und den Ausblick zu

genießen.

Außerdem verbringt sie mehrere Stunden in der Woche im Fitnessstudio.

Das junge Model macht zur Zeit ihren Bachelor of Business Administration.

Ihrer Meinung nach wird ihr es

diese Grundlage ermöglichen, sich in der Art, wie sie Geschäfte als Model macht, hervorzutun.

Für sie besteht das Model sein in viel mehr als nur im Aussehen. Erfolgreiche Models sind klug, gute Teamplayer, pünktlich, strategisch, arbeiten hart und sind motiviert - und all das zu verkörpern strebt sie an, während sie sich in dieser Industrie voll Konkurrenz einen Namen aufbaut.

” **Bring the horses to
the brook, Madeleine.
You’ll love it; it’s wild.** “

The next day, the icy moorland wind whipped her face. She huddled closer to the horses. They nuzzled her with their breath steaming. Would he come? Fear nibbled at her happiness. Her pulse raced.

Had she only met Karl at last night’s party? He’d listened. “So no one’s ever really asked you what you wanted?” His deep voice had softened, cosseting, as his brown eyes widened with concern. “No. How about you?” she’d asked. “Not until now,” he’d replied.

The horses snorted. He was running towards her. Seconds later, he was hugging her, lifting her off her feet, his lips and tongue questing. A second’s flash of fear; was this Damien again, after all? Karl tenderly lowered her to the ground. Madeleine trembled as molten desire erupted through her senses. “Madeleine, darling, I didn’t mean to scare you.” “You didn’t. You’ve reintroduced me to myself. Thank you Karl; we haven’t met for ages.” Suddenly,

she was weeping. “Forgive me; I should have realized...” he began, drawing her close.

“How could you? You’re so gentle; no one’s ever treated me like this.” “Let’s ride,” said Karl, as he kissed her forehead.

Hours later, the wind tugged her trousers like a lover. Lower down the lichen-clad escarpment, an underground fire vented, roaring and smoking. New love lifted her, soaring with the cloudscape, high above the purple and brown horizon, as her longing blazed. “A wilderness worthy of your beauty,” he whispered, caressing her. The sun went in. She shivered. “We’d better get back.” His tone scared her.

Months passed and Karl was away. Madeleine turned from the window. She saw her winter-coated reflection in the mirror. Something flickered. Karl’s reflection joined hers, smiling at her. She blinked. Only her image remained. He’d return.

MY TOWN "MOCA"

Text / JOSE DURAN

Photography / JOCHY FERREIRAS

Moca, Dominican Republic, is located on the North side of the Caribbean Island, close to Puerto Plata and minutes away from Santiago. It is the second largest city in the Dominican Republic. With a population of over 180,000, the soil is one of the best in the world. Moca is known for great agriculture and the "yucca" also known as cassava is known to be the best in the world. We have an amazing Church "Sacred Heart of Jesus" which was designed in Italy. The beautiful pane glass windows depict the apostles and Jesus' path to the Crucifixion. We are also known in the country for our strong political up bringing.

I came from this small town. I was born and raised in Moca. At the age of 15 I then moved to New York City to live with my mother. It was always a dream for me to live half of the year between Moca and NYC. It is always sunny here. The food is amazing. The people are friendly and always welcoming. There

are tropical trees all over town. Moca is where I produced and created every collection presented around the world.

Another reason I like to work and live in this amazing town is to be around my father and his mechanic garage; he is my main inspiration for my work as an

artist. Every summer I used to help my father fix cars and other mechanic projects surrounded by grease and iron pieces.

As a creative person it is very important for me to be

surrounded by the people that I love and the things that make me happy.

Not far from the center of the city we have an amazing internationally known beach named Cabarete. This is where I go when I really want to have a good time and dance all night. On the way to Cabarete beach there is Jamao River. This is a beautiful river located in the middle of mountains.

” Moca is where I produced and created every collection presented around the world. “

Diesen Monat kannst Du mit Deinem Haar ein Statement setzen. Einige der coolsten Looks, die auf den Laufstegen erschienen, sind klassisch, gewagt und nostalgisch. Der klassische Bob galt schon immer als schick, aber in dieser Saison trägt man ihn in einer überraschenden Variante. Diese Überraschung ist ein ungemachter Look mit kantiger Textur. Durch den zurückgekämmten Look bekommt man ein gewagtes Gefühl und er ist cool, leicht und einfach umzusetzen. Ein weiterer Haartrend für den Frühling/Sommer erweckt nostalgische Gefühle; gekräuseltes Haar. Dieser Trend kommt direkt aus den 90ern und 70ern und wird ganz einfach dadurch erzielt, dass man das Haar straff flechtet, es mit dem Glätteisen bearbeitet und anschließend die tollen Locken entwirrt.

In seinem Editorial „Ellen Tribute“ fasst Pierre Heinemann, ein 38jähriger High-Fashion Hairstylist aus Hannover in Deutschland, all diese Trends zusammen. Seine Intention dahinter war es, das Bild einer Frau zu erschaffen, die fließend durch ihr Leben schreitet. Eine solche Frau sieht Heinemann als jung, modern, arrogant, rebellisch und als alles, was sie zu sein wünscht. Sie ist die Mode! „Meine Idee für ‚Ellen Tribute‘ war es, zwei Haartexturen, inspiriert von Sebastian Professional, miteinander zu kombinieren“, sagte Heinemann. „Um dies zu visualisieren, verwendeten wir gekräuselte und glatte Teile und änderten das Styling für jedes neue Outfit.“

In seinem Salon arbeitet Heinemann bereits seit 20 Jahren als Stylist für Designer, Fashionshows und unterschiedlichste Fotoshootings. Er gewann mehrere Preise für seine Haarkunst. In den letzten acht Jahren arbeitete er außerdem an seinem blog [www. http://hair-rock.com](http://hair-rock.com) "hair-rock-blog.com und als Musikjournalist für Magazine.

Vor drei Jahren begann er, seine eigenen Kreationen selbst zu fotografieren und hat hart daran gearbeitet, seine Kamerafähigkeiten zu verbessern. Heinemann bezeichnet sich selbst als „24 Stunden Workaholic“.

In a small town near Eindhoven, one of the oldest cities in the Netherlands, a country known for delivering impeccable artists such as Vincent van Gogh and Willem de Kooning, lives Sarah Alderliesten. She is an accomplished make up artist who began her own business, Sarah's Colors, early in the year 2014. With a goal to instill a look that is anything but ordinary while utilizing her speciality in experimental works.

Her ability to transition with ease from grace to grime is exceptional. While her softer looks accentuate the natural beauty of the subject, her more eerie looks both shock and intrigue the viewer, which is a sought after trait. She has great potential to make waves in an industry that welcomes creative diversity. Having the gift of make up artistry is a treasure that is consistently undervalued. Sarah creates a mood within the colours, from romantic to otherworldly to downright terrifying. Her variance in abilities will take her

“ far as she continues to grow as an artist. There are a great deal of admirable and skilled make up artistry professionals, what makes Sarah's work unique is that she maintains a sense of beauty in her subjects without compromising her experimental concepts.

This in turn creates a body of work that showcases her variety of skills. To enhance her international audience and have a place to show her work, Sarah created a blog, titled 'Sarah's Colors'. On her blog, she not only shows viewers her recent work, but she also shares products and application tips she has learned as an industry professional. From drugstore buys to exclusive giveaways, Sarah's Colors provides an easy way to reach fans while promoting her work. A stunning evening glam makeup look created by Australian event Make up director Kylie Eustace, who was also a finalist for the Australian make up Artist of the year 2014. Kylie is so passionate about using only natural make up personally and professionally that she created her own range of natural mineral make up. That way she can be 100% sure only safe non-irritating ingredients are used on her clients.

“This soft smoky eye with a slight metallic fleck was created with timeless glamour in mind.”

The look was created for Australia's Sunshine Coast fashion Festival. This is a glamorous look that can easily be recreated for evening occasions. This soft smoky eye with a slight metallic fleck was created with timeless glamour in mind. The much-loved smoky eye look has been with us for many years now and its popularity shows no signs of slowing down. It is a flattering look, open to a huge range of variations to suit the mood or occasion.

This fashion look suits both a neutral or bold lip and is especially complemented by lips coloured in this season's Raspberry/Burgundy, Pantone Marsala.

A step-by-step guide on how this Evening Glam Look was created using Kylie's Professional products:

1. She started with a good foundation Primer; Added concealer as necessary and then a quality Mineral Foundation. The Face was gently contoured, using Darker Mineral Foundations.
2. Mineral Eyeshadow was used to define the eyebrows.

AQUARIUS JANUARY 20 - FEBRUARY 18

A happy month for water bearers as much major stress is being lifted and, after years of stress in many areas, there is definitely light at the end of the tunnel. Happiness is such a relative thing but you can have things your way and you shouldn't settle for less. Now you can create your own conditions as you like them, especially where love is concerned.

TAURUS APRIL 20 - MAY 20

Planetary momentum is overwhelming at the moment and you feel the need to rush around and achieve all sorts of impossible goals. Focus on doing good for others, that will give you the biggest feel-good this month. Alternatively, passion and intimacy also rank high on your 'to-do' list for Feb.

PISCES FEBRUARY 19 - MARCH 20

A 'boom or bust' mentality may be what you feel this month, Fishes, but balance is the key for February. Your personal appearance continues to shine and your aesthetic sense and sense of style are very sharp now so this is still a good period for buying clothing or personal accessories.

GEMINI MAY 21 - JUNE 20

Any unfinished business, especially where relationships are concerned. Love is stormy, volatile and tempestuous. A current relationship is undergoing a crisis and could dissolve. If it is good, it will survive, but it will be a wild up and down ride.

ARIES MARCH 21 - APRIL 19

The New Year parties are over and life returns to normal, so why not take stock and reflect on the past year. Feel good about your achievements and recognize your mistakes. Then, learn from it all for the year ahead. It is an excellent time to pursue spiritual and metaphysical interests.

CANCER JUNE 21 - JULY 22

Money and career are emphasized this month as the full moon on the 8th occurs in Leo, your 2nd Solar House. This will give you extra energy to achieve financial goals. So put family and domestic matters on the back burner, put your glad rags on and go get the job of your dreams!

LEO JULY 23 - AUGUST 22

As Abba said 'must be funny in a rich man's world'. So this month watch carefully all finances coming and going and check them closely. This also goes for all debts owed and due, be they emotional, sexual or personal, keep a close eye on them. Generally a happy time though.

SCORPIO OCTOBER 23 - NOVEMBER 21

Sometimes there is so much that needs to be done you could just sit and cry, and this month is no exception. Don't despair, Scorps, your life may resemble a soap opera at times, but if you focus on finances you should see earnings increase and debts diminish.

VIRGO AUGUST 23 - SEPTEMBER 22

Look to the west this month. Virgins, for this is where most of your planets are to be found. This is a time of balance and compromise. Seek consensus and try not to force things to happen. Secrets may come out, but make sure harmony is maintained regardless.

SAGITTARIUS NOVEMBER 22 - DECEMBER 21

From Saint Valentine's Day and for the next seven months, the world is your oyster. You have a window of opportunity that is open now, in which to build your 'kingdom of heaven'. First you need a stable emotional base, so be sure you work from within to achieve your goals.

LIBRA SEPTEMBER 23 - OCTOBER 22

Any social events are set to be bliss for you this month, but a word of caution; watch your mouth. The Grand Trine in Air looks to turn your social scene into a gab-fest, so you need to be careful. Mind your phone bill, try to avoid idle gossip, and focus your enhanced intellectual skills on projects that are important to you.

CAPRICORN DECEMBER 22 - JANUARY 19

This month the message is clear for Goats: Ambitions need a solid emotional and psychological base. Success without a degree of emotional harmony will not work for you. To climb the heights you need to plumb the depths. This is a month for psychological, inner progress and for laying the groundwork of future success.
